INDIA ITME SOCIETY
A Catalyst for Growth & Technological Excellence

India ITME Society,

established as a non profit Industry body in 1980, today is the back bone of Textile Engineering Industry & the best Catalyst of Technological Excellence, weaving success story for Textiles & Textile Engineering Industry, not only in India but across the globe.

India ITME is unique in its kind of Exhibitions, as it strengthens the industry by escalating Textile Manufacturing, supporting in building avant-garde manufacturing infrastructure by Technology up gradation, fostering Innovation, facilitating Exchange of Knowledge and encouraging Foreign Direct Investments & Joint Ventures, without compromising on enhancing skills and traditional strengths of the hand-woven sector.

Achieving an enviable growth of 54% from 2012 onwards, India ITME Society is continuing its growth trajectory to reach the top slot. Today the events by India ITME Society are globally acknowledged, by not only the Textile & Textile Engineering Industry, but also has become a landmark event & pride for India.

India ITME Society - Empowering Textile Industry Through Technology

The Society offers two key International B2B exhibitions and an online networking portal creating maximum opportunities for the Industry.
