2ND GLOBAL TEXTILE TECHNOLOGY & ENGINEERING SHOW 2019

18th - 20th January 2019, Bombay Exhibition Center, Mumbai

PRESS RELEASE

20th January 2019

Last Day of Super Successful Textile GTTES 2019 witnesses full-house turn outs !!!

With a tremendous response on the first two days the 2nd Global Textile Technology & Engineering Showed was certainly a success, with more than 9000 people in attendance. GTTES 2019 as the name suggests is a global relationship builder in Textile Industry that provides platform to The Textile & Textile Technology segment to facilitate meaningful business relationships. These services inspire, empower and connect the most promising companies with latest technologies, corporations, investors, industry experts, and international media with the goal to increase their rate of economical success and positive impact on Textile Industry.

Mega Event **GTTES 2019** proved truly to be growth the catalyst and optimum business platform with more business leads new customers offering the best sourcing solution to India's surging demand for Textile Industry in India & across the globe. GTTES 2019 is indeed apt platform to network and exchange ideas and bringing together the latest technologies from around the world under one roof. All the key brands, Companies & Business Houses visited the event which was welcomed by satisfied exhibitors.

Mr. Mario Cortopassi, Editor Textilia Brazil said, "GTTES 2019 has risen above the expectations & no doubtedly is the best business event of the Textile Industry for the year 2019. GTTES 2019 is the platform which looks forward to showcase the textile potential."

It has been a tradition of India ITME Society to acknowledge the services of all its partners who have been a strong support to make this event successful. All the service partners were felicitated by Mr. S. Hari Shankar, Chairman, India ITME Society & Chief Guest Mr. Sudhir Ranshevar, ACP Traffic, Mumbai.

As a trend setting exhibition organiser, India ITME Society strives to assimilate & disseminate more knowledge & power for industry through the futuristic Technology & trending topics at the Conference Sessions Conference Sessions by Indian Technical Textiles Association Society on **‘International Conference on Nonwoven Technical Textiles’** & by Society of Dyers & Colourists International India Pvt. Ltd on **‘Educating the Technology Innovations in Textile Colouration’** on 19th & 20th January 2019 respectively at GTTES 2019. These indeed led a Push for Futuristic Knowledge to empower the Textile Industry.

GTTES 2019 & ITME AFRICA 2020 together with ITME 2020 Series organised by India ITME Society are all set to Empower the Textile Industry.

GTTES 2019 – A Forefront of Strategic Textile Solutions
